CMR Institute of Technology —
B.Tech (CSE)
Year: 2023 – 2027
CGPA: 7.96 / 10

MJPTBCWR Junior college
MPC
Year: 2021-2023
Percentage: 97.7%

MJPTBCWREIS School
Year: 2020-2021
Percentage: 100%

SKILLS

- Java, Python
- HTML, CSS
- Computer Networks
- Operating Systems

CODING PROFILES

LeetCode: 23r01a0593 |
HackerRank: @cse_23r01a0593
Smart Interviews: yugender45

PROJECTS

Crop Cart (Mar 2025)
Developed a web-based platform connecting farmers directly with consumers to eliminate middlemen
Implemented crop listing and management interface for farmers
Integrated secure payment system and real-time crop availability updates
Promoted fair pricing and transparency in agricultural marketplace

Healthy Diet for Gym Members (Apr 2024)
Researched nutritional requirements for different fitness goals (strength, endurance, weight loss)
Designed informative content on balanced diet and workout performance improvement
Provided guidelines for pre and post workout meals for recovery and energy optimization

CERTIFICATIONS

- Java Certification
- Web Development Certification
- AI Advanced Certification
- AIML Certification – EDU Skills Google Developer Groups (GDG) On Campus
- Smart Interviews Training Program

ACHIEVEMENTS / ACTIVITIES

Participated in Hackathons and coding practice activities
